**Product Description**

This sunny beauty is produced by Albert Kraus at Hofkäserei Kraus in the Bavarian town of Ebersbach. Albert uses milk from his brother & neighbor's herd of traditional Brown Swiss cows to make Ramps Cheese, a semi-soft table cheese that embodies the Spring bounty of ramps. Creamy and buttery with a definite onion and garlic note, Ramps Cheese is the perfect addition to any cheese platter, melted over a juicy burger or paired with a crisp Lager, dark buttered bread and charcuterie for the perfect Bavarian brotzeit.
